Joined in 2017, Fellowes Brands and ESI create a team of people dedicated to offering the best office products and contract office furniture. ESI customers will continue to experience ESI's customer service and will now have the advantage of the expansive international equity and reach of the 100-year historic Fellowes brand. Together, we have a single goal, to help professionals to be the best they can be. More productive. More efficient. Happier. Healthier.

Fellowes' vision of providing the best and most innovative wellness products for the workplace was expanded through ESI's broad portfolio of work gear for enhancing worker comfort, productivity, and wellness in the contract furniture market. Fellowes' award-winning design and engineering team, builds on ESI's successful capabilities, creating the opportunity for greater innovation and a diverse and versatile product portfolio.

The combined strength of ESI and Fellowes Brands also comes from an alignment of consistent company values and the shared experience of being family businesses. Fellowes' core values are steeped in the character of the company's founder, Harry Fellowes, who established a value-based culture at Fellowes in 1917.

Our organizations have united our entrepreneurial spirits with a singular focus—to bring superior quality, performance, and exceptional customer experience for professionals worldwide. With a diverse range of products from Fellowes' business machines, storage solutions, and air treatment technology—and ESI's contract office furniture and work gear, our focus continues to make professionals more productive and enable them to dominate their day.

Fellowes Brands

Storage solutions for business, home organization and moving

High performance machines for home and professional use

Business machines and solutions for workplace wellness and organization

Mobile phone and tablet accessories for protection and functionality

Who we are

At ESI, we design products for the movers and shakers of this world—work gear that keeps you active, healthy, focused, productive, and engaged, every single day. The pace of business is faster than ever, but we're here to propel you forward at work, at home, and in between.

Geared for today's fast-paced lifestyle, our extensive catalog of work gear will empower you to be energized and productive.

esi gives back

Our corporate commitment to our community drives us to give our time, talent, and resources to those in need. Each year, ESI supports a variety of local philanthropic activities with product donations, financial gifts, and company-wide volunteer efforts. When we

all lend a hand, we create momentum to make our community a better place.

As a Fellowes brand, ESI supports community and culture through philanthropy. Fellowes Brands has established the GIVE™ program, which is dedicated

to building local and global partnerships which address humanity's greatest needs. The programs' guiding principles align with our strong values as a company and are the hearts of our people. GIVE is committed to supporting initiatives in four key areas: social

services, world aid and development, education and cancer research. We are honored to work as a team in building strong communities, improving lives, and providing a better tomorrow for our world today.

Sustainability

Sustain and strengthen our environment with ESI. Our company is dedicated to selecting products and adopting forward-thinking procedures that support sustainability. We consider people and our planet with everything we do—from selecting product materials, to recycling programs and our facility operations. When you choose ESI, you are choosing to support our proactive approach to creating quality work gear that also works for the environment.

Spare parts recycling

ESI's Edge and Evolve series of monitor arms are shipped with both a desk clamp and grommet mount included—making them simple to order and install. After the installation is complete, the unused desk clamp or grommet mount can be sent back to ESI at no cost to you. ESI will then properly dispose of or recycle the parts as appropriate. Our Spare Parts Recycling Program prevents leftover parts from taking up space in your facility or in a landfill. Contact our Customer Service Department to participate.

LEVEL certification

LEVEL was created to deliver the most open and transparent means of evaluating and communicating the environmental and social impacts of furniture products in the built environment. To put it simply, LEVEL is to commercial furniture as LEED is to buildings. Also like LEED, LEVEL is comprehensive. It addresses criteria across corporate, facility and product impacts in a way that few other certifications do. If you see a level certified product, you can be assured that every part of the process from manufacture to delivery has been tested to ensure that you are getting quality products made safely and ethically, with a minimal environmental footprint.

Source: <http://www.levelcertified.org/learn-about-level/>

See page 143 for a complete list of ESI's level certified products.

Government

ESI is proud to provide ergonomic work gear to federal, state, and local governments.

Visit esiergo.com for a complete list of our government contracts and Cooperative Purchasing Agreements. Or contact our Customer Service Department.

Award-winning service

Our customer obsessive, award-winning team is on call to assist you with all your work gear needs. We are ready to answer your questions or recommend products that help you achieve your best.

48 hour shipping

We can fulfill orders in as little as 48 hours based on product on-hand availability. We do this by maintaining high levels of our most popular products so you can meet ambitious deadlines and schedules. Our exceptional fulfillment service ensures you get the products you want, when you want them. Unless otherwise specified, most of ESI's products ship within two business days after your order is placed and acknowledged.

Lead time

The **LT** product marker indicates that the lead time may vary depending on quantities ordered and their availability. Please contact our Customer Service Department for on-hand inventory when placing orders for products marked with LT. Purchase Orders that include LT designated products will be shipped based on the lead time of the LT designated products. Split shipments are available for orders that include both LT and non-LT products.

15 year warranty

The majority of our work gear is backed by an industry-leading 15 year product warranty – giving you confidence to take on your work, your way. View our full warranty policy at esiergo.com or contact our Customer Service Department for more information.

Reserved inventory

Our team is focused on helping you execute large projects on time. We offer a Reserved Inventory Program for projects totaling at least \$15,000 net. Find out how the program can help make your project a success by contacting our Customer Service Department.

General information

All prices in the catalog are effective January 28, 2019, and are list price. All measurements are accurate within 0.25". Visit our website for additional specs, dimensional drawings, alternative images and more resources for all of ESI's products.

Monitor arms

Set your screens for success

Adaptable for any workspace, flexible monitor arms can optimize your desk space and increase your productivity. Easily adjust up to six monitors to maximize comfort and efficiency. Configurations grow with you, so your monitors will keep pace with your creativity.

Product shown: Edge2-MS, Lustre, FlexCharge4

Product shown: Evolve2-FMS, Victory-LX, Solution 2, FlexCharge4, Vivid-LEX, Centro

What to consider when selecting a monitor arm

Number of monitors

ESI offers solutions for as few as one to as many as six monitors. Should the needs of the user change, the Evolve series can easily be modified in the field to accommodate additional monitors and changing work environments.

Height adjustment

Monitor arms offer various types of height adjustability. The most user-friendly option is dynamic height adjustment which allows the user to adjust the monitor height quickly and easily with just the touch of a finger.

Weight of monitor(s)

ESI's standard monitor arms in the Eppa/Edge/Evolve Series support the average monitor weights between 6 to 17 pounds. For heavier monitors, the Edge-Max will support 17 to 32 pounds, and the Kata supports 4 to 20 pounds

Size of monitor(s)

Most users prefer to have their monitors side-by-side as close as possible with no gaps between them. The versatility of ESI monitor arms allow multiple wide monitors to fit side-by-side. Max width is contingent on the monitor meeting the weight capacity of the arms. Configurations that include a slider will provide additional horizontal adjustability, allowing monitors of varying sizes to fit together seamlessly.

Size and shape of the workspace

Shallow worksurface depths of 24 inches or less, are best suited for monitor arm configurations with fewer limbs or the Evolve slider. For applications that require extended reach, ESI recommends an Evolve configuration with multiple limbs. When positioning two or more monitors side-by-side in a 90° corner, the maximum monitor size will be reduced. Please contact our Customer Service Department to discuss your specific applications and requirements.

Motion arms move your monitor straight up and down.

VESA mounts tilt up and down, providing a flat writing surface for touch screen monitors.

Sliders move your monitor left and right while retaining monitor tilt and $\pm 90^\circ$ monitor rotation.

Monitor arm movement

Within the ESI monitor arm collection, there are many common movements.

Extension/retraction

Monitor rotation

Landscape

Portrait

Tilt

Height adjustment

Fixed arms:

The arms can be mounted at any height along the pole

Dynamic motion arms:

Motion arms can move up and down with finger touch adjustment

Evolve1

Evolve motion arms

Evolve configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease

Slider mount

Position virtually any monitor side-by-side with a slider. The slider (S) offers nine inches of horizontal adjustability, so even monitors of varying sizes can be positioned flush

Flexible growth

Because the Evolve is pole mounted, arms can be added as needed to support additional displays

BIFMA

Exceeds BIFMA x5.5 requirements

Evolve1-M

Single motion monitor arm

\$389

MODEL # EVOLVE1-M-__ _

Features

Finger touch dynamic height adjustment

Evolve conversion kit - 1MS2MS

Converts an existing Evolve1-MS single monitor arm to an Evolve2-MS dual arm.

Kit includes:

- (1) One slider
- (1) One single motion arm
- (1) Arm stem

\$335

MODEL # EVOLVEKIT-1MS2MS-___

Available in silver, black and white

Evolve2

Evolve2-F

Evolve2-FF

Evolve motion arms

Evolve configurations that include a motion arm (M) offer finger touch dynamic height adjustment. That means the monitor can reposition up and down with ease

Evolve fixed arms

Evolve configurations using fixed arms (F) have manual height adjustment. They rotate left and right along the pole, offering flexibility with lateral adjustments

Slider mount

Position virtually any monitor side-by-side with a slider. The slider (S) offers nine inches of horizontal adjustability, so even monitors of varying sizes can be positioned flush

Flexible growth

Because the Evolve is pole mounted, arms can be added as needed to support additional monitors

BIFMA

Exceeds BIFMA x5.5 requirements

Evolve2-F

Monitor arms

Kata™ series

Product shown: Kata

Product shown: Kata2, Lustre

Kata™

Kata

Single monitor arm

\$381

MODEL # KATA-DC- _ _ _

MODEL # KATA-GM- _ _ _

Proprietary design

Kata has been uniquely designed for ESI

Designer styling

Refinement finally achieved with an ideal balance of flow and support. Distinctive in appearance, the scaled down design emphasizes the key pivot points, making adjustments intuitive and effortless

Tension adjustment indicator

A clear gauge on the back of the arm allows users to see tension levels while adjusting the arm for various weight levels

Conversion

Reuse most of the parts in your single Kata arm when you convert up to the dual Kata2 with our simple kit. Conversion kit sold separately

Features

Finger touch dynamic height adjustment

Recommended for worksurfaces
24.0"–36.0" deep

14.0" height adjustment range
7.0"–21.0" (low/high)

21.0" arm extension

5.5" arm retraction

+90°/-25° monitor tilt

±90° VESA rotation

4lbs.–20lbs. weight capacity

VESA 75mm/100mm quick release

180° lock-out feature

Includes a grommet mount or a desk clamp mount

Tension adjustment indicator for precision installation

Fully assembled for quick installation

Integrated cord management

Integrated tool holder

Warranty: 15 yr.

Available arm finishes

☐ Silver -SLV

☒ Black -BLK

☐ White -WHT

Kata2 conversion kit

Converts an existing Kata single monitor arm to a Kata2 dual arm.

Kit includes:

(1) one single arm

(1) one desk stand

(1) one desk clamp

\$388

MODEL # KATA2KIT- _ _ _

Monitor arm accessories

Slider mount

VESA slider for Edge and Evolve

\$144

MODEL # EDV-SLD-SLV
MODEL # EDV-SLD-BLK
MODEL # EDV-SLD-WHT

9.0" adjustment from left to right
Retrofits with the Edge and Evolve series
Not compatible with the Edge-Max series
Adds an additional 2.2lbs.
Patented design for exclusive ESI use
Warranty: 15 yr.

Slider mount

VESA slider for Kata

\$154

MODEL #KATA-SLD -SLV
MODEL #KATA-SLD -BLK
MODEL #KATA-SLD WHT

9.0" adjustment from left to right
Not compatible with the Edge, Evolve, or Edge-Max series
Adds an additional 1.2lbs.
Patented design for exclusive ESI use
Available Summer 2019
Warranty: 15 yr.

Thin Client CPU

Monitor arm CPU holder

\$246

MODEL # CPU-TC **LT**

Mounts between the monitor arm and monitor
Adjustable width: 1.4"–2.3"
Conforms to VESA 75mm/100mm
Adjustment knobs are vibration resistant
Total weight: 3lbs.
Warranty: 15 yr.

Monitor arm sold separately

Weighted VESA mount

Universal VESA bracket

\$48

MODEL # VESA-HVY-SLV

For use when monitor weight does not meet minimum weight requirement for monitor arm
Adds an additional 2.4lbs.
Warranty: 15 yr.

VESA 100x200 conversion mount

VESA conversion plates

\$30

MODEL # VESA 100X200-SLV

Converts a 75mm or 100mm VESA mount to attach to a 100mm x 200mm VESA display
Warranty: 15 yr.

Benching mount

Monitor arm mount for use with
Knoll® Antenna table

\$113

MODEL # E-AMT-SLV

Compatible ESI monitor arms:
Evolve monitor arms: single, dual and triple
configurations
Integrated pole
Warranty: 15 yr.

Benching mount

Monitor arm mount for use with
Steelcase® C:SCAPE table

\$147

MODEL # E-CMT-SLV

Compatible ESI monitor arms:
Evolve monitor arms: single, dual and triple
configurations
Edge and Edge2
Pole sold separately
Warranty: 15 yr.

Benching mount

Monitor arm mount for use with
Steelcase® Frameone table

\$133

MODEL # E-FOMT-SLV

Compatible ESI monitor arms:
Evolve monitor arms: Single, dual and triple
configurations
Edge (single only)
Pole sold separately
Warranty: 15 yr.

Benching mount

Monitor arm mount for use with
Allsteel® Stride table

\$96

MODEL # E-SMT-SLV

Compatible ESI monitor arms:
Evolve monitor arms: single, dual and triple
configurations
Edge (single only)
Pole sold separately
Accommodates tops from 1.0"–1.2" thick
Warranty: 15 yr.

Benching mounts are not compatible with all benching systems. Monitor arm configurations are not included with speciality benching mounts. Call our Customer Service Department for compatibility details.

Laptop solutions

Reclaim your workspace

Adaptable for any workspace, laptop solutions save desktop space and cut down on clutter.

Double your view when you use your laptop as an additional screen at your workstation. Each is easily adjustable to fit your style, so you can have your work, your way.

Product shown: Tech Dock

Tech Dock

Tech Dock

Sliding tech tray

\$137

MODEL # TDOCK-SLV

Stow and go

Gain back up to 25% of your desktop space with this laptop storage solution that easily accommodates a single laptop or a laptop/docking station combo

Glide and swivel

Can swivel 360° under the worksurface for increased accessibility, with or without the glide track attached

Features

- 15.0" laptop tray width
- 12.0"–17.0" adjustable depth
- 17.6" glide track worksurface undermount
- Fixed mounting option without glide track*
- 3.5"–5.0" adjustable height below worksurface
- 360° swivel
- 20 lbs. weight capacity
- Rubber coated grip
- Convenient cable access
- Warranty: 15 yr.

LTH-Edge / Edge2Combo

LTH-Edge

Adjustable laptop tray

\$186

MODEL # LTH-EDGE-SLV

Monitor arm sold separately

Expansion

Accommodates a single laptop or a laptop with docking station

Features

10.3" laptop tray width

12.0"–18.3" adjustable depth

Warranty: 15 yr.

Edge2Combo

Edge2 + LTH-Edge

\$850

MODEL # EDGE2COMBO-SLV

Grab and go

The Edge2Combo allows your laptop to function as a second display while maintaining convenient access to dismount and relocate

Features

Finger touch dynamic height adjustment

12.0" height adjustment range

7.0"–19.0" (low/high)

22.0" arm extension

±90° monitor tilt

±90° VESA rotation

6.5 lbs.–17.6 lbs. weight capacity

Height adjustable tables

Raise the bar, and the table

Keep moving throughout your day with height adjustable tables. Sit or stand options can be quickly and easily tuned to your comfortable height. Adaptable for any workspace, these tables can be used for workstations, individual offices, training rooms, and open environments. Options include electric, pneumatic, and crank bases, with two or three-leg configurations.

Product shown: Triumph-LX, Eppa2, Railway, Pixie LEDX, Solution1, CPU-01, FlexCharge4, Centro

Triumph-LX™

Triumph-LX 2-leg

Electric height adjustable table

Two motors

Includes two motors allowing smooth height adjustment while supporting a broad range of worksurface weights

Cross channels

With adjustable cross channels, the table base can adapt over time with the changing technology and work gear needs of the user

Keypad

Includes a digital keypad with three memory settings

Quality materials

Steel frame and foot construction offers outstanding stability

BIFMA

Exceeds BIFMA x5.5 requirements

Features

Electric height adjustment

220 lbs. base lifting capacity

1.4"/sec. adjustment speed

17.3" height adjustment range

26.1"–43.4" (low/high)
(excluding worksurface)

Two stage adjustable legs

Adjustable width frame

Digital keypad

Soft start

Anti-collision

Locking casters available

Warranty: 15 yr. (structural) / 7 yr. (mechanical)

Available base finishes

☐ Silver -SLV

☒ Black -BLK

☐ White -WHT

Worksurface Program

Multiple worksurface shapes and laminates are available. See pages 92–95 for worksurface details including pricing and laminate colors. TFL Quick ship worksurfaces are shipped out in 48 hours, TFL and HPL Standard worksurfaces ship in 2–3 weeks.

Table bases and worksurfaces can be purchased independently or as a combination.

ESI worksurfaces are made to exact dimensions. If nominal sizing is needed, please specify when ordering.

The base dimensions as shown are actual.

Victory-LX™ 2-leg

Victory-LX 2-leg

Electric height adjustable table

Two motors

Includes two motors allowing smooth height adjustment while supporting a broad range of worksurface weights

Cross channels

With adjustable cross channels, the table base can adapt over time with the changing technology and work gear needs of the user

Keypad

Includes a digital keypad with three memory settings

Quality materials

Steel frame and foot construction offers outstanding stability

Height range

Low to high adjustment range meets needs of the largest variety of users. Works with peds and storage with maximum 20 inches of height

BIFMA

Meets or exceeds BIFMA x5.5 requirements.
Meets BIFMA GI-2013 ergonomic standards when used with a one inch worksurface

Features

Electric height adjustment

220 lbs. base lifting capacity

1.4"/sec. adjustment speed

Worksurface Program

Multiple worksurface shapes and laminates are available. See pages 92–95 for worksurface details including pricing and laminate colors. TFL Quick ship worksurfaces are shipped out in 48 hours, TFL and HPL Standard worksurfaces ship in 2–3 weeks.

Table bases and worksurfaces can be purchased independently or as a combination.

ESI worksurfaces are made to exact dimensions. If nominal sizing is needed, please specify when ordering.

The base dimensions as shown are actual.

Victory-LX™ 3-leg

Victory-LX 3-leg

Electric height adjustable table

Three motors

Includes three motors allowing smooth height adjustment while supporting a broad range of worksurface weights

Cross channels

With adjustable cross channels, the table base can adapt over time with the changing technology and work gear needs of the user

Keypad

Includes a digital keypad with three memory settings

Quality materials

Steel frame and foot construction offers outstanding stability

Height range

Low to high adjustment range meets needs of the largest variety of users. Works with peds and storage with maximum 20 inches of height

Configurations

Can be configured for 90° or 120° with a universal bracket

BIFMA

Meets or exceeds BIFMA x5.5 requirements.
Meets BIFMA GI-2013 ergonomic standards when used with a one inch worksurface

Features

Electric height adjustment

330 lbs. base lifting capacity

1.4"/sec. adjustment speed

26.1" height adjustment range

21.6"–47.7" (low/high)
(excluding worksurface)

Three stage adjustable legs

Adjustable width frame

Digital keypad

Soft start

Anti-collision

Table base is UL962 listed

Locking casters available

Warranty: 15 yr. (structural) / 7 yr. (mechanical)

Available base finishes

☐ Silver -SLV

☒ Black -BLK

☐ White -WHT

Caster kit

Set of casters for table bases

Includes third foot for caster installation

Increases height by 2.0"

Worksurfaces Overview

How to order:

Worksurfaces have multiple part numbers based on worksurface dimensions.

There are 6 Thermally Fused Laminate (TFL) colors and 30 High Pressure Laminate (HPL) colors. See page 95 for more details.

Use the worksurface code with the two letter color code to complete your part number

Part number breakdown:

1. Pick your worksurface and size

2R4224-TFL-WW

2. Pick your laminate finish

2R4224-TFL-WW

2R4224-TFL-WW

This product number represents:

Rectangle shape

42.0" wide and 24.0" deep

TFL Standard

White white Uniboard laminate

General information

Worksurfaces

Worksurfaces can be sold separately or in combination with a table base.

Warranty: 5 yr.

Sizing

ESI worksurfaces are made to exact dimensions. If nominal sizing is needed, please specify when ordering. Standard thickness is 1.0"

Lead times

TFL Quick ship: 48 hours

TFL Standard: 2–3 weeks

HPL Standard: 2–3 weeks

Edge detail

Worksurfaces ship with standard square edge profile and coordinating 3mm edge band. Alternative edge detail options are available at additional cost.

Square edge

Knife edge

Laminate materials

Worksurfaces are available in select laminate options. ESI worksurfaces are either Thermally Fused Laminates or High Pressure Laminates. Please indicate laminate choice by adding the 2-letter code at the end of the worksurface model number.

Thermally Fused Laminates (TFL)

Worksurfaces consist of a single printed decor paper fused directly by heat and pressure to the core material of MDF or particle board.

TFL Benefits: Cost efficient, consistent and uniform, water resistant, scratch resistant

High Pressure Laminates (HPL)

Worksurfaces consist of a melamine treated printed decor paper fused to multiple sheets of kraft paper. Heat and pressure bond all the sheets together creating a flexible and durable piece of plastic type material which is then adhered to MDF or particle board.

HPL Benefits: Durable, versatile, stylish, heat resistant, water resistant, scratch resistant, impact resistant, hygienic qualities

Custom options

For more information on alternative worksurfaces shapes, thickness, edge details and laminate options, contact the Customer Service Department. Additional costs may apply.

TFL Quick Ship Worksurfaces

TFL Quick ship worksurfaces ship within 48 hours and are available in six colors. Please see page 95 for the laminate finishes that are available.

Height adjustable perching stool

\$401

MODEL # BIRDI- _ _ _

Seat design

Proprietary seat cushion design reduces pressure points and is more comfortable than other perching stools

Durability

Made with high resiliency foam making it more durable than others, which is ideal for use in high traffic areas

Features

- Gas cylinder adjustment
- Push button height adjustment
- 10.0" height adjustment range
- 12.5" base diameter
- 13.3" seat diameter
- 360° swivel
- 25.6 lbs. unit weight
- 275 lbs. user weight capacity
- 100% polyester fabric cushion
- Self-balancing weighted base returns stool to upright position after use
- Partial assembly required
- Warranty: 3 yr. fabric; 5 yr. foam and cylinder; 15 yr. all other components

-  Snowy Gray -GRY
-  Navy -NVY
-  Taupe -TPE

Table base accessories

CPU cart

Mobile CPU cart

\$153

MODEL # CPUCART-1-BLK

160 lbs. load capacity
Fits CPUs ranging from 3.8"–9.0" wide
CPU sits in adjustable tray
Four swivel caster wheels (2 locking)
Easy to assemble; no tools required to make adjustments
Warranty: 15 yr.

CPU01

Simple CPU holder

\$171

MODEL # CPU01

125 lbs. load capacity
360° swivel
17.8" glide track
12.5" min. CPU depth
8.0" min. CPU width
24.0" min. CPU height
60.0" adjustable straps
Nylon security bands
Warranty: 15 yr.

CPU mini

Small profile CPU holder

\$191

MODEL # CPUMINI

55 lbs. load capacity
360° swivel
13.4" ball bearing glide track
16.0"–22.0" adjustable height
Fits CPUs up to 20.0" in height
Warranty: 15 yr.

CPU05

Heavy duty CPU holder

\$222

MODEL # CPU05

100 lbs. load capacity
360° swivel
17.8" glide track
2.5"–8.3" adjustable width
13.0"–21.0" adjustable height
Warranty: 15 yr.

Conceal

Cable management spine

\$65

MODEL # CONCEAL-GRY
MODEL # CONCEAL-BLK
MODEL # CONCEAL-WHT

53.5" total height
23 links
Links are detachable
Weighted bottom
Attaches to bottom of worksurface
Warranty: 15 yr.

Trough

Cable management undermount tray

\$28

MODEL # TROUGH-BLK

Mounts to most flat surfaces
18.0" troughs - set of two (2)
Mounts using heavy duty double sided tape or two screws provided
Warranty: 15 yr.

Utility cart

Rolling platform cart

\$212

MODEL # ACPC-1-BLK

18.8" x 15.0" platform
150lbs. load capacity
For printers, shredders, and other office machines
Includes non-slip pads
Swivel caster wheels (2 locking)
Warranty: 15 yr.

Pencil drawer

Sliding pencil drawer

\$116

MODEL # ACPD01-BLK

Inside drawer dimensions:
20.5"w x 16.3"d x 2.0"h
Opening requirements:
23.0"w x 16.3"d x 2.0"h
Retracts on 16.0" ball bearing slides
Warranty: 1 yr.

Corner diagonal

For corners 17.0"–19.0" wide

\$169

MODEL # ACCD90-17-BLK

\$187

MODEL # ACCD90-21-BLK

Converts 90° corners to diagonal corners for additional work area.
Includes spacers and furniture protectors.
Accommodates surfaces up to 1.4" thick
Warranty: 15 yr.

Desk risers

Table base accessory

\$75

MODEL # DESK1

Set of four stackable high-impact plastic risers
4.0"w x 4.0"d
Raises worksurface height in 1.0" increments
600lbs. load capacity
(distributed weight)
Stackable to a maximum of three risers per leg
Warranty: 15 yr.

Footrest

Adjustable foot support

\$128

MODEL # FR301-BLK

Ideal for users who cannot rest their feet comfortably on the floor
15.8"w x 13.8"d x 2.8"h
Anti-slip rubber mat on top platform
6°/12°/16°/25° angle adjustments
Folds flat for easy height adjustment and storage
Warranty: 15 yr.

Grommet mount for Climb / Climb2

\$38

MODEL # CLIMB-GM

Climb2

Climb2 - raised

Climb2 - lowered

Climb2

Dual monitor arm desktop
sit-to-stand workstation

\$989

MODEL # CLIMB2-SLV

Flexible positioning

Utilize your complete worksurface area by rotating the workstation side-to-side with the articulating arm. Monitor can be rotated for view in landscape or portrait orientation

Palm rest

Includes palm rest, adaptable for left or right-handed users on the keyboard platform

Rotation

The Climb platform is able to rotate 360° for added flexibility.

Features

Pneumatic height adjustment

Clamp mount to worksurface
6.0" clearance needed underneath worksurface

17.2" column height adjustment range

Precision positioning

21lbs. platform weight capacity

27.0"w x 10.4"d top platform

26.5"w x 10.5"d keyboard platform

30.0" max. worksurface depth

Cable management

Partial assembly required

Dual monitor arm integration

11.3" monitor mount height range

13.8" motion arm height range

20lbs. max. monitor weight per monitor

21.8" max. monitor width

Bezel measured left to right,

Max width is contingent on weight capacity

Warranty: 3 yr.

Power solutions

Plug in to power up

Position the power where you need it. Worksurfaces get a charge with the FlexCharge series, while workstations can be wired with the Railway series. Flexible mounting options make these adaptable for any workspace including individual workstations, conference rooms, collaborative spaces, and benching environments.

Product shown: (Top) Triumph-LX, Eppa2, Pixie LEDX, Solution 1CC, CPU01, Railway, FlexCharge4, Centro;

Railway™

Railway

Power and data solution

Open office solution

Optimizes open space with data and power rails with single and double sided options in four available widths

Visually clean

Keeps all of the electrical and data wiring hidden inside the rail's simple design

Post feet

All posts come standard with a T-foot which is ideal for use in open floor plan. Alternatively, the the L-foot is available to accommodate applications against a wall or partition

Features

(4) Four available widths: 36.0" 48.0" 60.0" and 72.0"

18.0"h post

4.0"w x 12.0"d T foot - *standard*

4.0"w x 8.0"d L foot - *optional*

Double and single side systems

Cable/data channel

Up to 13 double runs or 26 single runs can be connected to each other

Up to 8 outlets per rail and inputs for data

Flexible power feeds with 3.5" of extension through flexible metal conduit

UL listed

20 amps

(4) Four circuits with 4-line conductors, 2 neutrals and 2 grounds

Fourth circuit is isolated and dedicated

Optional electric compliance available for municipal standards such as NY Box, California Title 24, and Chicago

Please reference the Railway Spec Guide for more details

Warranty: 15 yr. (structural) / 7 yr. (electrical)

FlexCharge4™

FlexCharge4

Personal desktop power

\$209

MODEL # FCH4-DSK-____

Quick reach

Puts power within reach for any individual desk or benching environment

Charging

Includes quick-charge USB ports for powering up phones, tablets or other devices

Features

(2) Two AC outlets: 15A, 125V, 60Hz

(2) Two quick-charge USB outlets: 3.1A, 5V

Can be mounted in a 2.0" grommet or with included clamp (to the top or underside of worksurface)

Meets spill-protection criteria

UL and cUL listed

8.0' power cord

Built-in surge protection with indicator light

Warranty: 1yr.

Keyboard accessories

Corner diagonal

\$169

MODEL # ACCD90-17-BLK

For use on corners less than 17.0" wide

\$187

MODEL # ACCD90-21-BLK

For use on corners less than 21.0" wide

Features

Converts 90° corners to diagonal corners for additional work area and moves the user closer to the worksurface

Includes spacers and furniture protectors

Accommodates surfaces up to 1.4" thick

Warranty: 15 yr.

Spacer kit

\$67

MODEL # SPACERKIT-KBD-BLK

Features

Ideal for height adjustable tables and benching systems, the kit creates a flat mounting surface for keyboard arms and glide tracks where cross channels typically prevent installations

Attaches between underside of worksurface and a keyboard arm or glide track

Includes mounts for benching systems and height adjustable tables

Powder coated steel construction

(2) Two sets of spacers included to accommodate needed spacing between 1.0"—2.2"

Includes installation hardware

Warranty: 15 yr.

Lighting

Another bright idea

Shine your light exactly where you want it with desktop task lighting and under cabinet lighting. Lights feature dimming options, occupancy sensors, and other energy and convenience features. Plus, workspace lighting provides flexible tilt and rotation so you can brighten your workspace and bring on the workday.

Wall-mounted work gear

Get your office in gear

Deliver work gear in limited spaces with wall-mounted solutions. Ideal for multiple users in community spaces, wall mounted work gear increases efficiency, productivity, and collaboration. Amplify your team's productivity with gear tailored for your space.

Titan track series

Titan-Edge

Single track-mounted workstation

\$1,254

MODEL # TITAN-EDGE

Keyboard arm and monitor arm can be positioned anywhere along the wall track
For left or right-handed users
Keyboard tray folds up or down to save space
Edge® monitor arm (pg. 20)

(1) One 31.5" aluminum alloy wall track
6.5lbs.–17.6lbs. monitor weight range
12.5" monitor arm height adjustment range
22.5" monitor arm extension
24.9"w x 10.6"d keyboard platform
23.0" keyboard arm extension
Includes track covers to conceal cords

Warranty: 2 yr. (palm rest)
15 yr. (all other components)

Titan2-Edge

Dual track-mounted workstation

\$1,452

MODEL # TITAN2-EDGE

Keyboard arm and monitor arm can be positioned anywhere along the wall track
For left or right-handed users
Keyboard tray folds up or down to save space
Edge® monitor arm (pg. 20)

(2) Two 31.5" aluminum alloy wall tracks (63.0" total)
Mini CPU holder (PAC-CPUMINI)
6.5lbs.–17.6lbs. monitor weight range
12.5" monitor arm height adjustment range
22.5" monitor arm extension
24.9"w x 10.6"d keyboard platform
23.0" keyboard arm extension
Includes track covers to conceal cords

Warranty: 2 yr. (palm rest)
15 yr. (all other components)

Mini CPU holder

Specifically for Titan-Edge

\$103

MODEL # PAC-CPUMINI

3.3"–6.0" adjustable width
55lbs. load capacity
Fits CPUs 5.0"–20.0" in overall height
Compatible only with the Titan-Edge
Warranty: 15 yr.

Locking CPU holder

Specifically for Titan-Edge

\$458

MODEL # PAC-CPULOCK **LT**

3.5"–9.3" adjustable width
12.5"–22.5" adjustable height
85 lbs. load capacity
Heavy duty knob with special hex key
Compatible only with the Titan-Edge
Warranty: 15 yr.

Mobile work gear

Work gear on wheels

Built-in wheels make this convenient equipment portable and easy to move so you can keep technology accessible for an efficient work environment.

Product shown: WOW01, Titan2-Edge

WOW series

WOW

Complete workstation-on-wheels

\$1,466

MODEL # WOW

Pneumatic lift platform with wire controller
 5-star base with heavy-duty casters (2 locking)
 Includes cable management system
 13.0" height adjustment for platform
 28.0"–41.0" (low/high)
 26.5"w x 22.5"d platform measurement
 28.0" diameter base measurement
 20 lbs. weight capacity (including surface)
 Platform with palm rest
 Fixed monitor mount
 CPU holder
 13.0"–21.0" adjustable height
 2.5"–8.3" adjustable width
 50 lbs. capacity

Warranty: 2 yr. (palm rest)
 15 yr. (all other components)

WOW01

Base model workstation-on-wheels

\$949

MODEL # WOW01

Pneumatic lift platform with wire controller
 5-star base with heavy-duty casters (2 locking)
 Includes cable management system
 13.0" height adjustment for platform
 28.0"–41.0" (low/high)
 26.5"w x 22.5"d platform measurement
 28.0" diameter base measurement
 20 lbs. weight capacity (including surface)
 Additional accessories available
 Warranty: 15 yr.

CPU holder

Specifically for workstation-on-wheels

\$248

MODEL # WOW-CPU

Adjustable CPU holder for WOW
 Non-porous foam material prevents CPU damage
 Can be cleaned and sanitized to maintain a germ-free environment
 50 lbs. capacity
 13.0"–21.0" adjustable height
 2.5"–8.3" adjustable width
 Compatible only with the WOW/WOW01
 Warranty: 15 yr.

Monitor mount

Fixed height monitor arm for workstation-on-wheels

\$207

MODEL # WOW-MR

+90°/-25° monitor tilt
 90° portrait/landscape adjustment
 90° side-to-side rotation
 Compatible only with the WOW/WOW01
 Warranty: 15 yr.

Mobile accessories

Utility cart

Rolling platform cart

\$212

MODEL # ACPC-1-BLK

18.8"d x 15.0"w platform

150 lbs. load capacity

For printers, shredders, and other office machines

Includes non-slip pads

(4) Four swivel caster wheels (2 locking)

Warranty: 15 yr.

Mobile cart

Mobile CPU holder

\$153

MODEL # CPUCART-1-BLK

160 lbs. load capacity

Fits CPU's ranging from 3.8"—9.0" wide

CPU sits in adjustable tray

(4) Four swivel caster wheels (2 locking)

Easy to assemble; no tools required to make adjustments

Warranty: 15 yr.

Terms and conditions

For the most up-to-date product and ordering information, refer to the ESI website at esiergo.com.

Acceptance by Customer of delivery of products from ESI ("Products") constitutes acceptance by Customer of these terms and conditions ("Terms and Conditions"). Any additional or different terms proposed by Customer shall be deemed to have been objected to by ESI, shall be of no force or effect, and shall not be binding upon or enforceable against ESI. These Terms and Conditions constitute the entire agreement and understanding between the parties and supersede any and all prior agreements, understandings and communications with Customer, oral or written, relating to the Products. No course of dealing or course of performance, either prior to, during or after the delivery of the Products, shall be relevant or admissible by Customer to supplement, explain or vary these Terms and Conditions. The invalidity or unenforceability of any Terms and Conditions shall not affect the validity or enforceability of any other term or condition, and the remaining terms and conditions shall remain in full force and effect. No waiver, amendment or modification of these Terms and Conditions shall be binding upon or enforceable against Seller until approved in writing by an ESI Authorized Signatory.

Government Terms and Conditions vary from these Terms and Conditions. Contact our Customer Service Department or visit esiergo.com for terms applicable to government purchases.

Discontinued products

Due to changing market demands, ESI periodically may discontinue certain products. ESI reserves the right to change and/or discontinue products at any time without notice.

Payment and credit terms

To establish an account, Customer must complete and submit ESI's New Account Application (signed by company officer), Federal Taxpayer ID (Form W-9) and State Resale Certificate. Once credit is approved, payment terms are net 30 days. Prior to Customer's credit approval (with receipt of required documents), prepayment of orders may be made by corporate check, or for convenience, credit cards (Visa, Mastercard and American Express) are accepted.

Past Due Accounts: Open orders or pending shipments will be held until the account is brought current. ESI reserves the right to amend account terms, at any time, based on account history. Contact ESI's Accounting Department for details.

Deposits: Subject to sales, credit history, and credit lines, a deposit may be required to process large orders.

Purchase order submission

Purchase Orders (POs) should be submitted via e-mail to orders@esiergo.com. POs should include "Ship To" and "Bill To" information along with complete ESI product model numbers and Customer cost. Government orders require a copy of the agency PO at the time the order is placed with ESI. All POs shall be subject to written acceptance by an authorized representative of ESI. Incomplete POs or changes will delay processing and shipment until receipt of all necessary information and ESI's issuance of revised Sales Order Acknowledgment.

Order changes or cancellations

All Customer cancellations and changes must be submitted to ESI in writing to orders@esiergo.com. Order changes include the addition/deletion of line items or changes in quantity or requested Ship Date or Ship To address. Order changes that result in a quantity reduction may be subject to an adjustment in pricing. Change or cancellation requests are not considered accepted until ESI provides a revised Sales Order Acknowledgment. Changes may result in processing delays or shipping delays. Under no circumstances will changes or cancellations be accepted on any special order, custom product, or worksurface order without the express written consent of ESI. All such custom and special orders are non-returnable.

Taxes

ESI is not responsible for the collection of sales tax on products sold to dealers. Dealers must provide Federal Taxpayer ID (Form W-9) and State Resale Certificate to establish an account with ESI. Dealers are responsible for any sales or use taxes assessed if dealer requests that ESI drop-ship direct to dealer's customer.

Pricing and specifications

ESI reserves the right to revise all pricing, discounts, and freight terms, at any time, without notice. Current product pricing is included on product pages at esiergo.com. Prices which are in effect at the time of order shall apply. All prices shown are list price. All prices in the catalog are effective January 28, 2019, and are list price. All measurements are accurate within 0.25". Visit ESI's website esiergo.com for the most up-to-date product and ordering information, as well as additional specs, dimensional drawings, alternative images and more resources. All prices shown are in U.S. dollars. Contact our Customer Service Department for a current Canadian Foreign Exchange Conversion Rate.

Shipping

48 hour ship program

ESI offers 48 hour shipping on the majority of products. Unless otherwise requested, these products are shipped from Phoenix, Arizona, within two business days of receiving the PO, depending on quantity ordered and available inventory. Orders that include products with longer lead times including special orders, custom products, or worksurface orders, are designated as "LT" (lead time) and therefore not included in the 48 hour ship program. Large orders may also require additional lead time. Products designated as LT could take up to 90 days ARO for delivery. Call for on-hand availability.

Please note:

1. For the order to qualify for 48 hour shipping, all products on the PO must be available under the 48 hour ship program.
2. POs that include LT designated products will be shipped based on the lead time of the LT designated products unless otherwise requested.
3. 48 hour orders will be shipped out within two business days unless otherwise specified on the PO.

Freight terms

ESI ships orders by way of standard ground carrier service dock-to-dock within the contiguous 48 states. Special requests such as "call before delivery", "delivery lift gate required", residential delivery, re-routed deliveries, or specific delivery date/time requests may be subject to additional charges or may not be available. Contact our Customer Service Department for expedited delivery requests or deliveries outside of the contiguous 48 states.

Customers will be charged additional fees for changes made to orders that have already departed the facility, resulting in re delivery or re consignment.

ESI accepts requests for expedited freight at the customer's expense. Please contact our Customer Service Department at 800.833.3746 and provide your preferred carrier account number in which to charge the expedited freight.

Worksurfaces may be drop shipped from a separate location and may arrive on a date different than the other items on the order.

Orders of \$250 list or more, ship free freight. A \$25 flat shipping fee will be incurred for orders under \$250 list.

Handling & special services

Cutting fee - A fee of \$40 list will be assessed per unit for all custom cutting requests.

Will call

ESI offers will call pickup at the Mesa, Arizona facility. Will call pickups are available Monday through Friday from 7am to 3pm. Requests for will call must be included in PO. Will call orders will be invoiced on the date requested for pickup.**Will call**
ESI offers will call pickup at the Mesa, Arizona facility. Will call pickups are available Monday through Friday from 7am to 3pm. Requests for will call must be included in PO. Will call orders will be invoiced on the date requested for pickup.

Damage/shortage claims

ESI packages products to reduce the risk of damage during shipment. ESI verifies order quantity and weight with the carrier before any shipments are made. When receiving an order, first confirm the quantity of cartons delivered with carrier's quantity and inspect cartons for signs of damage. The customer must notify carrier of damages or shortages at the time of delivery, or claims will not be accepted. Do not sign for the shipment until it is verified. Signing a freight bill without any notation relieves the carrier of any responsibility and serves as your acknowledgment to ESI that shipment was received in full. Discrepancies or concealed damage found upon opening the shipment must be reported to ESI in writing within five (5) business days of delivery or Customer waives right to submit a claim. Damaged products must not be removed from point of delivery and must remain in original packaging for inspection by the carrier. ESI is not responsible for damage or discrepancies occurring after delivery. ESI reserves the right to request a return of damaged or defective products.

Returns

Contact ESI Customer Service by e-mail at customerservice@esiergo.com or phone 800.833.3746 to request a Return Authorization (RA) form. Please have the original PO number or ESI order number available. Request for product returns must be made to ESI within 60 days of the date shipped. Products, along with a copy of the RA, must be received at ESI's Warehouse within 30 days of the date of the RA issuance

Terms and conditions

to be eligible for credit. Products received after this date will not receive a credit. Custom products, products not listed in catalog or on esiergo.com, and worksurfaces are non-returnable. Package(s) should be sent to:

ESI
ATTN: Returns Department
4030 East Quenton Drive, Suite 101
Mesa, AZ 85215

- Products returned to ESI without having been issued an RA or those not meeting the return requirements will not be eligible for a credit.
- A re-stocking fee of 30% will apply to all non-warranty returns.
- To protect your return against loss, ESI recommends choosing a carrier that will provide tracking information and the ability to insure the shipment.
- Products which have been fully or partially assembled are not returnable for credit.
- Products must be returned in undamaged, re-sellable condition and in original packaging.
- Products should be carefully repacked to avoid damage during return shipping. Claims for product damaged on the return shipment are the responsibility of the Customer.
- The Customer is responsible for freight charges associated with returns.

Upon receipt, the product will be inspected to ensure it meets ESI's return guidelines. Once approved, Customer's account will be credited appropriately. No credit will be issued for unauthorized product returns or those not meeting return guidelines. Do not make any adjustments to your account until receipt of ESI Credit Memo. Costs associated with installation, return shipping, etc. of returned products will not be reimbursed. Please allow up to 30 days for returns processing.

Warranty

ESI grants a limited warranty to the end-users of its Products, the terms of which are included with each Product. Customer's remedies set forth herein are exclusive and the liability of ESI with respect to the breach of the Agreement or these Terms and Conditions shall not exceed the price of the Product or part on which such liability is based. IN NO EVENT SHALL ESI BE LIABLE

TO CUSTOMER FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, STATUTORY, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, LOSS OF USE, LOSS OF TIME, INCONVENIENCE, LOSS BUSINESS OPPORTUNITIES, DAMAGE TO GOOD WILL OR REPUTATION, OR LOSS OF DATA, ARISING OUT OF, OR AS A RESULT OF, THE SALE, DELIVERY, SERVICING, USE OR LOSS OF THE PRODUCTS SOLD HEREUNDER, REGARDLESS OF WHETHER SUCH LIABILITY IS BASED ON BREACH OF CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE, AND EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR SUCH DAMAGES COULD HAVE BEEN REASONABLY FORESEEN. Correction of any nonconformity in the manner and for the period provided shall constitute complete fulfillment of all liabilities of ESI, with respect to or arising out of the Product furnished hereunder. No claim by Customer of any kind including, but not limited to, claims for indemnification, whether as to quality or amount of Product delivered or non-delivery, shall be greater in amount than the purchase price for the Products in respect of which damages are claimed.

THIS LIMITED WARRANTY IS IN LIEU OF ALL OTHER REPRESENTATIONS, WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, AND ESI MAKES NO OTHER WARRANTIES OR REPRESENTATIONS TO CUSTOMER OR ANY OTHER PERSON OF ANY KIND, WHETHER EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS, AND ESI SPECIFICALLY DISCLAIMS ALL IMPLIED REPRESENTATIONS, WARRANTIES OR CONDITIONS, WITHOUT LIMITATION, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, NON-INTERFERENCE, AND ALL OTHER WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE. PRODUCTS SOLD HEREUNDER ARE SOLD ONLY TO THE SPECIFICATIONS SPECIFICALLY SET FORTH BY ESI IN WRITING. ESI'S SOLE OBLIGATION FOR A REMEDY TO CUSTOMER SHALL BE REPAIR OR REPLACEMENT OF NON-CONFORMING PRODUCTS, AS SET FORTH ABOVE. CUSTOMER ASSUMES ALL RISK WHATSOEVER AS TO THE RESULT OF THE USE OF PRODUCTS PURCHASED, WHETHER USED ALONE OR IN COMBINATION WITH OTHER PRODUCTS OR SUBSTANCES.

All ESI products are covered under a 15 year warranty, except the components and products listed below:

10 years: Eppa™ series monitor arm

7 years: Electric table components and motors; Crank mechanisms; Counterbalance mechanisms; Railway™ series (electrical); Centro™

5 years: Laminated worksurfaces; S2S; Birdi™ foam and cylinder

3 years: Climb series, Birdi™ fabrics

2 years: Palm rests; Mouse pads

1 year: Pencil drawers; Fluorescent ballasts; LED transformers; FlexCharge™ series

Intellectual property

Customer acknowledges that ESI is the owner of intellectual property related to certain Products, including the registered trademarks and other trademarks (the "Marks") and proprietary designs and patterns, patents and/or pending patent applications, if any, used in connection with its Products (collectively, "Intellectual Property"). Customer shall not use the Marks or any part thereof as part of Customer's name, nor register any name, including domain names, or mark confusingly similar to the Marks. Customer acknowledges that it is not being licensed any right or interest of any kind in the Marks and that Customer may not use same without the prior, written consent of ESI. ESI reserves the right to discontinue deliveries of any products, the manufacture, sale or use of which would, in ESI's opinion, infringe upon any U.S. patent, trademark or design now or hereinafter issued, registered, or existing and under which ESI is not licensed.

Relationship of parties

The relationship of the Parties hereto is that of vendor and purchaser. Nothing in these Terms and Conditions, and no course of dealing between the Parties, shall be construed to create any other type of relationship. Accordingly, Customer shall not be empowered to bind ESI in any way, to incur any liability or otherwise act on behalf of ESI.

Governing law

These Terms and Conditions shall be governed by the laws of the State of Illinois, without giving effect to the principles of conflicts of law of such state, and shall be binding upon the Parties hereto in the United States and worldwide.

ESI and Customer agree that any legal action arising out of or relating to this agreement or the transactions contemplated by this agreement shall be brought in either the United States District Court in and for the Eastern Division of the Northern District of Illinois or the Circuit Court in and for DuPage County, Illinois, and consents to personal jurisdiction of such courts over them in any such action. Customer waives any defense or inconvenient forum to the maintenance of any such action or proceeding so brought and waives any bond, surety, or other security that might be required of ESI.

Severability

If any clause or portion of these Terms and Conditions shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining clauses or portions shall remain in full force and effect.

Force majeure

Neither Party shall be liable hereunder for any failure or delay in the performance of its obligations under these Terms and Conditions, except for the payment of money, if such failure or delay is on account of causes beyond its control, including labor disputes, civil commotion, war, fires, floods, inclement weather, governmental regulations or controls, casualty, government authority, strikes, or acts of God, in which event the non-performing Party shall be excused from its obligations for the period of the delay and for a reasonable time thereafter. Each Party shall use reasonable efforts to notify the other Party of the occurrence of such an event within five (5) business days of its occurrence.
